## Game summary

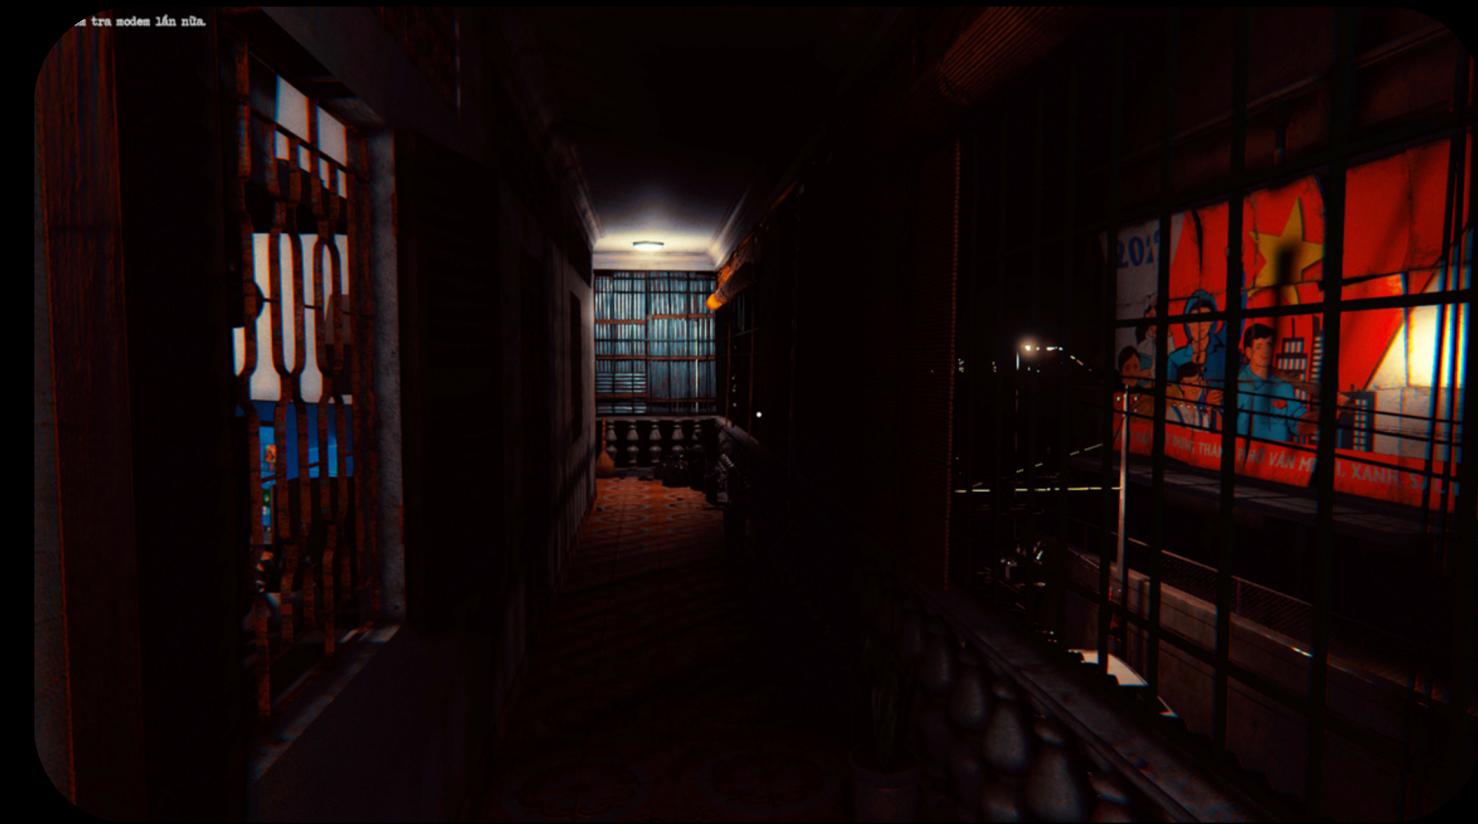

"Ming Hun" is a first-person horror adventure game set in ancient China, revolving around the eerie and haunting ritual of a "Ghost Marriage." Players assume the role of a young man who unwittingly becomes trapped in this ancient practice. After picking up a mysterious red envelope containing a photo and strands of hair, the protagonist finds himself bound to marry the deceased young woman in the photograph. Soon, the protagonist is kidnapped and taken to a sprawling haunted mansion by the ghostly bride's family. As paranormal events unfold, he realizes he must find a way to escape the mansion and its sinister inhabitants, including the spirit of the deceased bride who haunts the house by finding his way out, finding objects, and solving different puzzles,... Difficult and scary challenges are waiting for him in the future ahead !!!
